NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

It is hard to understand a law that forces a school to either close down when attendance is off because of sickness or bad weather or face the possible loss of one or more teachers. This was what happened here last week when the local schools closed for four days.

We can understand closing because of the possibility of an epidemic—but just to close because the percentage of attendance is down, doesn't seem quite right.

But let us be sure to point out that the fault does not lie with the local school board or the administration but with the way the state money is allocated to the schools.

The state pays on average daily attendance not on enrollment and excused absences do not matter. So when a school's average daily attendance falls off so does the number of teacher that the state will pay for. This would not be so bad if the school could hire teachers on average daily attendance but they can not as they must have enough teachers to take care of the number of students enrolled—regardless of how many days they attend.

To try to take care of this problem the school sets up some extra days in the schedule and these were used last week so, even with the time off, school will still end at the regular time—that is unless we have bad weather or another bad sick spell.

It would seem to us that it would be better if a school could decide on the basis of an effective teaching program when it should close the school rather than on the basis of fear of losing a teacher.

It would help if the state would allow the schools to drop five or ten of their worst days when they determine the average daily attendance. This would at least make for a more realistic picture.

While we do not know what to do about this problem it would seem that somebody needs to get organized and try to get something done in Austin. Every year we seem to face the same problem.

Next year the problem could get worse since the state is requiring the schools to teach five more days and have the teachers spend 10 days in work or training sessions. This will make it harder to set up the extra days for bad weather or sickness as we have in the past.

We ran across the following bit of information in the Brownfield paper the other day which seemed worth passing along.

The president of the Brownfield bank did a little research and came up with the following figures on the prime interest rate. The prime rate is the lowest rate of interest charged by major banks to the blue chip companies such as General Motors, General Electric, etc.

Following are the prime interest rates from 1946 through June 6, 1969, and they are interesting, to say the least:

Date	Pr. Rate	Date	Pr. Rate

Fire Dept. Asks Care In Turning In Alarms

The Hamlin Volunteer Fire Department sees a definite need for persons turning in fire alarms to be very cautious in giving the correct location of the fire.

Several valuable minutes may be lost by the trucks having difficulty in locating the fire. Only a few weeks ago a trailer home was destroyed because the trucks were sent to the northwest section of town rather than the correct address in north-east Hamlin.

The dispatcher at the Police station depends solely on the person turning in the alarm for accurate information.

The Fire Department suggests these things which may be helpful when reporting a fire:

1. Take just a second more, if possible, to check the address of the fire. It may save several minutes of essential time.

2. Give some landmark or building, such as near the hospital, compress or high school.

3. Stay on the telephone until the dispatcher has all the information needed. One caller only said, "My house is on fire and I'm going to have to get out."

The volunteer firemen do need correct addresses to assure getting to the scene as quickly as possible.

Eighth Grade Beats Anson, Tied for District Lead

The local eighth grade boys team tied Anson here Monday evening for the lead in the junior high school district basketball race. Both teams have one more game to play — Hamlin plays Lueders-Avoca and Anson plays Haskell.

The Lueders-Avoca game will be played here Friday evening rather than on Thursday as originally scheduled. All three teams will play with the seventh grade boys starting the action at 5:30.

The local junior high teams swept all three games from Anson Monday with the seventh grade opening the night with a 36-22 victory. Johnny Jones was high with 12 points.

The eighth grade girls won, 19-13, with Christi Bell scoring 12 points.

David Willis led the eighth grade scoring with 22 points as the locals won, 36-35.

Plans are being made now for the Junior High District Volleyball Tournament to be held here Mar. 5.

Country Club Opens Membership To Non-golfers

The officers and board of directors of the Lakeview Country Club have voted to extend membership to non-golfers.

This type of membership would entitle a person or their immediate families to have all the privileges of the Club except the privilege of playing golf. Through request, these members would be allowed to use the club house and its facilities without having to pay rent, the directors noted.

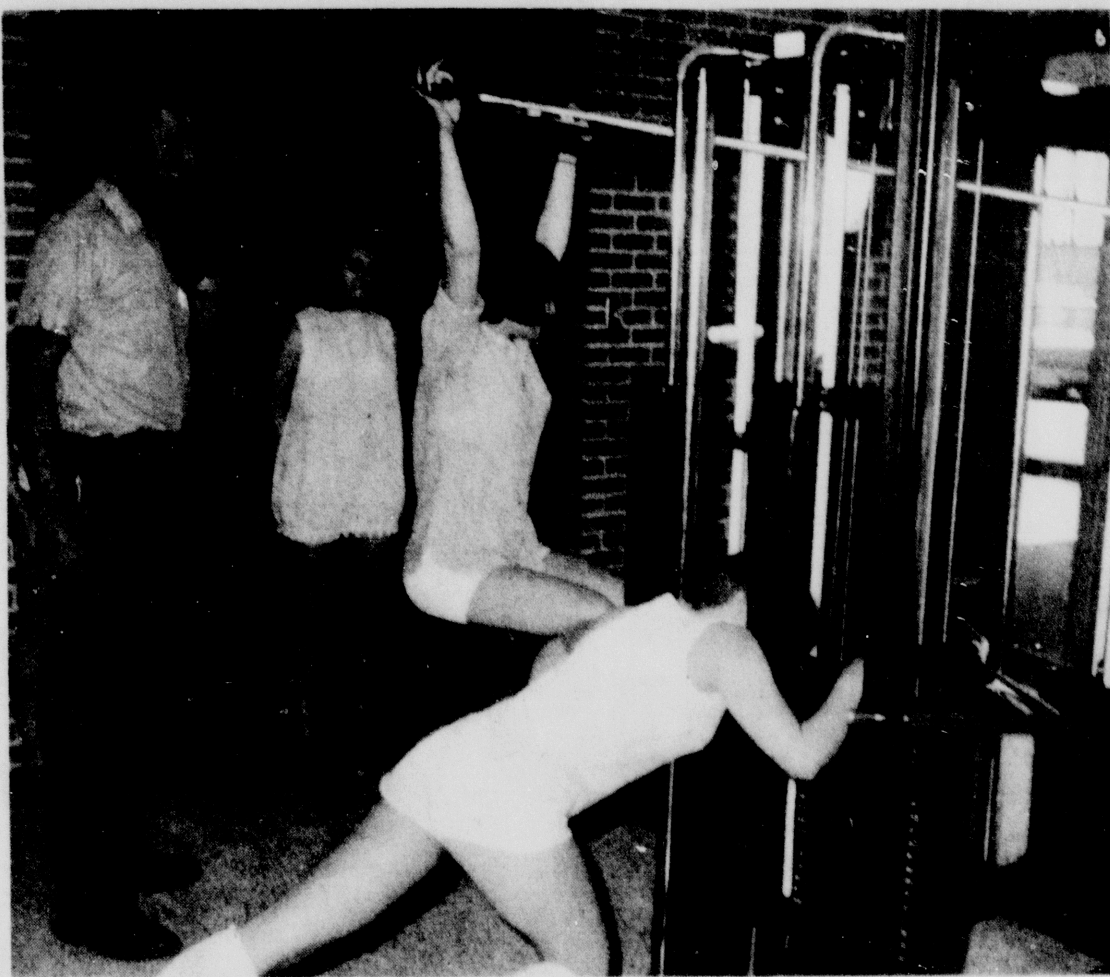

A family may join by paying a \$10 membership fee and then monthly dues of \$5.

Any interested person may contact Bill Harbert or Joe Ford for further details.

Bridge Winners

Mrs. Holly Toler and Mrs. G. W. Comegys were first place winners of the Hamlin Duplicate Bridge Club.

Mrs. Jack Russell and Mrs. Gene Knabel were second and Mrs. Maud Elkins and Ray Sonnenburg were third.

TAKING ADVANTAGE OF NEW EQUIPMENT — Girls, too, are taking advantage of the new multi-exercise equipment installed last week at Hamlin High School. Here, the girls, on an off period, are instructed concerning the proper use of the equipment by Coach Dan Truelove. In the foreground, Teresa Braley is running against weighted resistance. Not shown in the picture are the footpieces that operate on a track. As many as six persons can use this part of the new equipment at one time. The 12-man Marcy exercise machine gives the versatility of many gymnastic devices in a safe compact unit.

Census Workers Being Sought

Jones County residents who are interested in working in the 1970 Census program are urged to contact Lynn Gillespie in Stamford. Enumerators will start to work April 1 and work from three to five weeks.

All census employees must be citizens of the United States, 18 years old or older, of high integrity, and pass a qualification test. The crew leader who supervises and trains the enumerators will be selected from the top enumerators in any area.

Testing will get underway as soon as possible and those interested are asked to contact Gillespie immediately.

Applicants must be in good physical condition and have a car and phone available. Work may extend into the evenings and Saturdays because some people are at home only during those times.

Enumerators work on a piece rate basis. Weekly earnings might range from \$60 to \$100 for a diligent and efficient worker, Gillespie said. Nine cents a mile will be paid for official use of the worker's car.

Before the start of the Census, each enumerator will attend a training session to learn to use the census forms and techniques such as interviewing and map reading.

The enumerators will work in the districts in which they reside, Gillespie added.

Gillespie may be contacted by writing Drawer 631, Stamford, Texas 79553, or phoning Area Code 915-773-2369.

Attend Funeral of Former Resident

Mrs. Leona Carter and mother, Mrs. Lala Harbert, attended the funeral of Mrs. E. R. (Ruby) Richardson in Sundown, Feb. 12.

Mrs. Richardson, 61, was born Oct. 27, 1908 in Hamlin and was married to Mr. Richardson July 4, 1936 at Sipe Springs. She formerly taught school here and at Levelland before going to Sundown where she taught 15 years before retiring.

She was an active member of the Sundown First Baptist Church before illness forced her to stop.

Services were held in the Sundown Church with the pastor, Rev. Glenn Reese and Rev. John Jenkins of Lorenza officiating. Burial was in Resthaven Memorial Park in Lubbock.

Her husband, one sister, nephew and one niece survive.

Coleman Downs Merkel For 7-AA Championship

The Coleman Bluecats captured the District 7-AA title in Abilene Tuesday evening as they edged out the Merkel Badgers, 45-42, in a playoff game to break a tie. Both teams ended the season with 11-3 records.

The Pied Pipers finished the season in third place with a 10-4 record after dropping their final game here last Friday evening to Coleman, 70-55. The two teams went into the game with identical

records with the winner to meet Merkel for the championship.

The game between Hamlin and Coleman was nip and tuck for three quarters before Coleman moved out ahead in the final period. Coleman led 28-27 at half and 45-44 at the end of three periods. The Bluecats hit a hot streak at the free throw line as the Pipers tried to get the ball to play catch up and the Coleman lead kept building.

Robert Bolden was high pointer for the Pipers with 23 points, followed by George Cooper with 17.

City Election Set for April 4

Date for the election of a mayor and two councilmen was set for Apr. 4 at the Monday evening meeting of the City Council.

Terms of Mayor Hollis Madden and Councilmen Edward Gardner and Joe E. Ford are due to expire.

Deadline for filing is Mar. 4. Absentee voting is from Mar. 15 through Mar. 31.

The election will be held on Saturday, Apr. 4, at the City Hall.

Pancake Supper Tickets On Sale Now by Lions

The Hamlin Lions Club is making final preparations for the annual Pancake Supper to be held here Thursday, Feb. 26, in the high school cafeteria according to Club President Arlie Cassle.

Tickets to the event, \$1.00 for adults and 75c for children, are now on sale and may be purchased from any Lions Club member.

The annual project is to raise money for the various club youth projects including the Crippled Children's Camp at Kerrville and eye glasses for the needy, Cassle pointed out.

In conjunction with the supper, the Lions will have a pie and cake sale.

The club will serve all the pancakes and bacon you can eat, Cassle said.

Mrs. H. C. Carr, 70 Funeral Services Held Monday for

Mrs. H. C. Carr, 70, died at 6:30 p.m. Saturday in Hamlin Memorial Hospital after an illness of four weeks. She had been hospitalized during that time.

Services were held at 2:30 p.m. Monday in First Baptist Church with the pastor, Rev. Max Brown and Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiating.

Born Bertha Polk in Rising Star, she was the daughter of the late Mr. John J. Polk and Mrs. Ida Polk now of Roby. She attended Hardin-Simmons University and June 6, 1920, was married to H. C. Carr at Anson. They moved to Hamlin in 1926.

She was a housewife and a member of First Baptist Church.

Survivors include her husband, her mother, two sons, Clifford Charles of Wichita Falls, Jerry of Hurst; three daughters, Mrs. Johnny (Jo Ann) Hester, Mrs. W. O. (Lucille) Willbanks, both of Hamlin, Mrs. Jack (Tess) Butler of Tacoma, Wash.; one brother, Charlie M. Polk of Lubbock; two sisters, Mrs. Jess Ashley and Mrs. Louise Ashley, both of Roby; 10 grandchildren and three great-grandchildren.

Burial was in Hamlin East Cemetery.

Palbearers were Wood Cowan, Jack Russell, G. M. Bond, Kenneth Parker Cecil Terrell, Joe Murff and Raleigh Bond.

Madden to Seek Re-election As School Trustee

Lewis Earl Madden has filed for re-election to the Hamlin Board of Trustees. By Wednesday morning he was the only candidate who had filed with Mrs. J. O. Murphree in the office of the superintendent.

Dr. James Harrison told the Herald this week that he would not seek re-election.

Deadline for filing is Mar. 4.

FIVE FEATURES ARE DEMONSTRATED — Five of the features of the new Marcy exercise equipment are demonstrated by, left to right, Jackie Kerns, on the elevated set up board; Ivy Harper on the thigh support exercise bar; Janis George on the light parallel bars; Teresa Braley on the leg flexer and leg extender; and Sharon Embrey on the wrist machine. Coach Dan Truelove explains the operation to the girls. The equipment will be used in the athletic and physical education departments of the school system.

Area Swine Producers Warned Of Hog Cholera In Anson Area

Outbreaks of hog cholera in the Anson and Noodle area has been cause for alarm to area swine producers, says Jones County Agent Kirby Clayton. All such cases are under the very close surveillance of the State and Federal Health Department, who are in the process of trying to trace the source of infection.

The susceptible hogs get hog cholera by direct contact with infected hogs or with contaminated premises, vehicles, stock yards and sale barns. The disease may also be spread by birds, says Clayton. Field evidence also indicates that a sow exposed to hog cholera viruses during pregnancy can transmit the disease to her unborn pigs without showing clinical evidence of illness herself.

Texas is now operating under Phase III of the Hog Cholera Eradication Program which provides State-Federal indemnities to be paid to producers for hogs which have to be destroyed because of cholera. Under the program, producers with confirmed hog cholera are paid indemnities on the number of live hogs on the premises at the time of arrival of the state or federal veterinarian. No indemnities will be paid on hogs having

died prior to the arrival of the state or federal veterinarian. Indemnities are based on the market values of hogs and may not exceed \$100 for commercial hogs and \$200 for registered hogs.

All herds having laboratory confirmed case of hog cholera will be depopulated under the supervision of state and federal veterinarians. A 21 day waiting period is necessary before the producer can go back into the hog business, says Clayton.

All county swine producers who suspect hog cholera should notify your local veterinarian. The local veterinarian will in turn notify the Texas Animal Health Commission in Austin, who will make a thorough investigation of the case and trace out the source of infection.

In the meantime swine producers will want to exercise caution in the purchase of new stock which might introduce the disease into their herd and also follow precautions on all other possible sources of infection.

For further information on the program, contact your local veterinarian or county agricultural agent.

Two from Here Receive Degrees From North Texas

DENTON — William H. Hallmark and Linda Sue Legan of Hamlin were among 810 students receiving degrees at North Texas State University's winter commencement Jan. 30.

The exercises marked the granting of the 50,000th degree by the university which, as North Texas State Normal College, awarded its first degree in 1919.

Hallmark received a master of education degree in secondary school administration. He is the son of Mrs. Steve (Carmon) Herring, Route 3, Hamlin.

Miss Legan, daughter of Mr. and Mrs. Frank C. Legan, 132 NW Ave. B, was granted a bachelor of arts degree in English. She was one of 56 senior honor graduates.

Riding Club Sets Meeting Saturday

The Hamlin Riding Club will meet at 7:30 p.m. Saturday in the dining room of Dinkey's Truck Stop, says Don Elmore, club president.

A meeting scheduled at the arena last Sunday was cancelled because of inclement weather, he said.

All members are urged to attend.

Hames-Hurst Vows Read Here Saturday

Kathleen Mary Hames, daughter of Mr. and Mrs. E. M. (Jack) Hames of Abilene, and John Ronald Hurst, son of Mr. and Mrs. Earl Hurst of Aspermont, were married here Saturday evening in the First Baptist Church Chapel.

Rev. Gene Moore, pastor of the First United Methodist Church in Abilene read the marriage vows. Pianist was Mrs. Moore. Rhonda Sue Sims of Abilene was soloist.

Reba Pritchard was maid of honor. Bridesmaids were Mrs. Ronnie Jenkins of Tahoka, sister of the bride, Mrs. Don Worthington of Aspermont, sister of the bride, and Linda Hurst of Aspermont, niece of the bridegroom.

Terri Lynn and Sherri Lynn Adams, twin nieces of the bridegroom, were flower girls. Curtis Ray Brown was ring bearer.

Robert Douglass of Clifton, brother of the bridegroom, was best man. Groomsmen were Bobby Gholson of Aspermont, Billy Don Cooper, and Mike Armstrong of Oklahoma City, cousin of the bride.

Guests were seated by George Hames of Abilene, the bride's brother, and Cooper.

The bride, presented in marriage by her father, wore a gown of brocade shantung made by her mother. The em-

pire bodice, rolled collar and cuffed bishop sleeves were elaborately trimmed with mock pearls and flowered French sequins. The detachable court train of silk shantung and silk organza was lavishly trimmed with scalloped lace aglow with pearls and French sequins. Her tiered veil fell from a headpiece of silk roses. She carried pink carnations on a lace covered Bible.

The bridesmaids gowns were of pink silk shantung designed with scoop necklines and empire waistlines accented with pink satin ribbon. Their headpieces were pink silk illusion fastened with a cluster of white flowers. Each carried a Valentine heart trimmed with pink cloth roses and satin streamers.

The reception was held in the home of Mr. and Mrs. Leroy Pritchard, 222 Northwest Ave. E.

The bride graduated from Hamlin High School.

The bridegroom, a graduate of Aspermont High School, attended West Texas State University, Canyon. He is employed by Jack's Steamatic Carpet Cleaners in Abilene.

The couple will live at 1641 South 16th in Abilene.

The rehearsal dinner was hosted by the bridegroom's parents at their home in Aspermont.

CHAPTER SWEETHEART—Mrs. Tim Jones, left, receives a red carnation and a jeweled crown pin from Mrs. L. C. Bonds when she was revealed as Chapter Sweetheart of Beta Theta Chapter of Beta Sigma Phi. The presentation was made at the Valentine party in the Bonds home Saturday evening. Husbands of members were guests.

Gift Tea Honors Mrs. Edward Lee Green Recently

Mrs. Edward Lee Green was honored with a gift tea Feb. 6 in the home of Betty Burleson. The honoree was the former Jo Lynn Holford.

Receiving with the honoree were Mrs. Carl Green, mother of the bridegroom, and Mrs. Ray Holford, mother of the honoree.

Yellow and white were used in party decorations.

Hostesses with Miss Betty Burleson were LaQuita Griffin, Ann Spalding, Ruby Robertson, Alecia Ratcliff, Betty St. Clair, Carolyn Hines, Mmes. Joe Carter, Bob Murff, Art Newcomb and Charles Brumley.

Mrs. Harold Bonner Hosts Garden Club Meeting Thursday

Mrs. B. B. Colwell, second vice president, presided.

The club voted to give \$10 to the Woman's Forum to be used toward the purchase of encyclopedias for Harden Memorial Library.

Mrs. L. B. Williams reported that 15 honeysuckle plants had been set out at Holiday Lodge.

Mrs. Tarlton Willingham presented the program on the Big Thicket.

Sixteen members were present.

Mrs. Don Lock On Honor Roll

Mrs. Don Lock of San Angelo, the former Bennie Bernice Elkins, has been named to the Dean's Honor Roll at Angelo State University, San Angelo, for the fall semester.

Mrs. Lock daughter of Mrs. W. B. Elkins and the late Mr. Elkins, was graduated from Hamlin High School in 1951. A senior special education major, she will graduate in August.

She has a 3.80 average out of a possible 4.0.

The couple moved from here in 1962. They have a daughter, Carla, who will be eight in May.

Dinner Honors Mrs. Ida Joiner, 92,

Mrs. Ida Joiner, 413 Southwest Fifth, was honored on her 92nd birthday with a dinner given by two of her daughters, Mrs. Woodie Scott and Mrs. Vera Rankin.

Mrs. Joiner was born in Lee County Feb. 15, 1878, and came to Hamlin in 1926. Her husband, Ben Joiner, was a farmer. He died in 1931.

Attending the dinner were Mr. and Mrs. Sott and son, Dickie, and Mrs. Rankin.

Burglars were not to be denied in their determination to enter the Howard Food Market this week.

At some time Sunday night an attempt was made to batter the rear door of that business establishment. Some sort of ram was used in battering the panel from the bottom of the door until draw bolts had been loosened from their sockets, but sheet iron sheathing on the inside of the door prevented the thieves from gaining access to the cross bar which prohibited and entry.

It is believed that a bird dog belonging to Bob Riddel, which was tied at the rear of adjoining premises frightened the intruders away.

Not to be daunted by this Sunday night failure, the store was entered by way of the front door some time after 3:30 a. m. Tuesday. Some sort of bar was used to force the lock from its catch and force the front door despite the fact that the front of the store is subject to light from two streetlights and a light left burning in the Howard store.

Mr. Howard has been unable to account for any major loss from the entry as the safe was not tampered with and no money was on the premises to be pilfered. No loss is immediately apparent from stock of cigarettes or other popular items among thieves.

Negotiations have been completed between West Texas Utilities and Mrs. B. Hassen which will lead to the removal of that firm to one of the new Central Avenue locations built by Mrs. Hassen.

Workmen are building partitions and otherwise fitting the premises to meet the needs of the utility company for display and offices.

No definite date has been set for removal of the firm to its new quarters, but it is estimated that only a few days will transpire.

Hamlin Chapter of Future Farmers of America held their annual Father-Son Banquet Tuesday evening at the High School cafeteria at 7:30.

After a buffet style banquet the boys held a regular meeting of the chapter in the auditorium.

TEN YEARS AGO
(February 18, 1960)

"Invest in Hamlin!" is the war cry this week of two opposing teams of spirit citizens of the community engaged in a common fight for the future of the Pied Piper City.

The two crews, labeled the Greens and Whites, squared off Tuesday morning at a kick-off breakfast at the oil mill guesthouse in the most comprehensive membership drive for the Hamlin Board of Community Development ever conducted.

Possibility of organizing a Junior Chamber of Commerce in Hamlin will be aired at an open meeting which has been scheduled by the Stamford Jaycees for 7:30 p. m., Monday, February 22, at the Board of Community Development office.

Neinda Philosopher Joins National War On Pollution In His Own Very Peculiar Fashion

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One takes a close look in a side-long fashion at the pollution problem this week.

Dear editor:

Generally speaking, I'm always in favor of whoever's President of our country or my bank, figuring both do the best they can with what they've got to work with, so I sat up and cheered — I figure you can cheer just as well sitting as standing — when President Nixon announced he's declaring war on pollution.

Consequently I wasn't prepared when a neighbor came by and asked me if I'd read everything he'd said about pollution.

"Mostly the headlines," I said. I didn't figure a man had to memorize all the lakes and streams and cities now polluted in order to endorse the idea of cleaning them up. A war on pollution is a war on pollution and you leave the details to the generals.

"You should have read it all," he said, straightening up a fence post he'd been leaning against. "He said pollution is not only a national problem, it's a local problem. Said everybody ought to start with his own premises, make everything tidy and ship-shape. When you gonna rebuild this fence? Is that a 1918 or 1920 car chassis grown up in weeds over there? If that barn of yours sags a few more feet to the north without falling over it's gonna become a tourist attraction."

He went on like this for several minutes when I got up and walked off, saying some people read too much.

The trouble is, he had a point, and I got no peace of mind until I ran across an article in a newspaper which I picked up in my driveway as a first step in the anti-pollution war.

According to it, the government is furnishing the money in some cases to plant shrubbery around unsightly

Recent gifts to the building fund of the First Methodist Church have brought the total to date up to \$16,-825.66, reports the pastor of the church, Rev. Edmund W. Robb.

Interest among members of the congregation is growing in building a new church, declares Robb. He says new space is needed for Sunday School classes.

Hamlin High School's Pied Piper basketballers will meet the Childress High School Bobcats in a bi-district dog-eat-dog game next Tuesday night at 7:00 o'clock on the Childress court.

Hamlin had last weekend won the District 6-AA championship by tripping the Haskell Indians in their final conference game, as Anson's Tigers were defeating the Stamford Bulldogs, who had in the final week threatened to tie things up and force a play-off for the district crown.

FORTY-FIVE YEARS AGO
(February 27, 1925)

Just south of the M. P. May Furniture Exchange, a brick building is being erected which is to be the new home of the Wilson Motor Company. The building is to be fifty by one hundred and forty feet and is to be modern and up-to-date in every way.

We are informed the work will be rushed and the building complete probably by the first of June.

Mr. and Mrs. L. B. Pribble are erecting a modern six room bungalow, with bath, on north Jackson Avenue. This is one of the many attractive new homes that has been built in Hamlin within the past few months. Let the good work go on.

The fourth of a series of entertainments given under the auspices of the Parent-Teacher Association, Howard Russell's Scottish Revue, was presented Monday evening at the High School Auditorium to a large and appreciative audience.

The company is composed of Howard Russell, baritone; Miss Kathleen Reid, violinist, and Miss Ethel Buckley, pianist and soprano. Each member is an artist of rare ability, and the program consisted of a unique arrangement of songs, music and readings.

The next and last number of this series is to be a lecture by Mr. Earnest J. Powell, Mr. Powell is recommended as a lecturer of unusual ability with a most pleasing personality and naturalness of manner which keeps him in sympathetic touch with all classes.

Watch for the date of this lecture. It is coming soon.

Sunday afternoon at the First Baptist Church the second of a series of lectures, under the auspices of the Woman's Literary Club was delivered by Rev. A. W. Reeves.

The subject, Religious Psychology was divided into two parts by the speaker and was presented in a very interesting and scholarly manner. The first part of the lecture consisted of the psychology of being a christian or responding to the call of God. The second part of the lecture discussed the psychology of the sin.

junk yards along the main highways. If you can't get rid of the old cars, hide them.

I have reviewed the situation on this Johnson grass farm from one end to the other and have decided it would be easier and cheaper to comply with the anti-pollution drive by just planting shrubbery around it. This way me and the government could both go about our way in peace. Please advise where you apply for funds for this. We've got to get this country in shape.

Yours faithfully,
J. A.

To Meet Monday

Central West Texas Pork Producers Association will meet Monday at 7:30 p. m. at Stamford Electric Cooperative, Inc. conference room, according to Callens George, president.

Program will feature James Rodgers, CPA from Hamlin, who will speak on "Record Keeping."

Mommie ... They want me to come to church."

Yes, Mommie, they do want her in church, for in the church, they have a place for all ages. No child

is too young to learn. This also provides you

an opportunity to worship and give

undivided attention to church services.

"Train up a child in the way

he should go: and when he

is old, he will not

depart from it."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Farm Organizations Opposing New Major USDA Farm Bill

Representatives of several major farm organizations came out in opposition to the proposed Farm Bill released recently by the U. S. Department of Agriculture. Joining together to oppose the bill were The National Grange, Farmers Union, National Farmers Organizations, Mid-Continent Farmers Assn. and National Association of Wheat Growers.

In their statement attacking the proposed bill they issued the following statement:

The proposed bill released by the U. S. Department of Agriculture would permit the Secretary of Agriculture to set price support loans on a sliding scale from zero to 90 percent of parity at levels to "encourage the exportation" of commodities. This is totally unacceptable.

"It would give him more power than any Secretary of Agriculture in the history of the Nation. The last time such a proposal was made was during the Administration of Secretary of Agriculture Ezra Taft Benson. The Congress wisely rejected it then, and should reject it now."

It is difficult to assess the total effects of such legislation, because there is no assurance what Secretary of Agriculture Hardin, or his successor might choose to do under the extremely loose terms of the proposal. The most likely result of this legislation would be to reduce farm income by lowering support levels, however. Farm income should be increased, not reduced.

Another feature of the proposal that is unacceptable is the requirement that payments to producers could only be made after specific appropriations were made by the Congress. It is impossible to determine the amount of these payments until producers have actually signed up, of course. This would mean that during a rather short three or four month period following program sign-up, the Congress would have to make appropriations in order that farmers could be paid. This would be an undue burden on Congress. And, of course, if, as often happens, the Congress could not agree, or legislation was delayed by the pressure of other business, farmers would simply have to wait for payments. This would create severe hardship.

The effectiveness of supply management under voluntary wheat and feed grains program in the 1965 Food and Agriculture Act has been attributed to the high level of participation by producers. The effect of this requirement of sign-up prior to appropriations would be to reduce participation, resulting in less effective supply management and a loss of farm income.

The proposed bill destroys the concept of fair relationships between prices of various commodities, long supported by general farm and commodity organizations, by repealing the requirement that soybeans and cottonseed should be priced to compete on equal terms in the market. This would inevitably affect the price relationships of other oilseeds, such as peanuts, too.

In the USDA news release, it was stated that the bill "represents a consensus agreement," and suggested that the proposed bill may already have been agreed to by the House Committee on Agriculture. There is no consensus in the Congress at this time.

The only exception in the proposed bill is the dairy title, the major provision of which was written by the House Committee on Agriculture.

On balance, we will urge the Congress to reject this proposal as inadequate, unsound, and dangerously political. We will continue to support passage of the Coalition Farm Bill which has the firm support of 25 general farm and commodity organizations representing a majority of the Nation's farmers.

Old Glory

By Bernice D. White

The Old Glory Pirates won the Number One spot in District 26-B Basketball last Friday night when they rolled over past Weinert Bulldogs 66-31. The victory gave the Old Glory boys team a 13-0 district mark and sewed up the title for them. Members of the team this year are: Well-ton Spitzer, Rickey Boles, Robert Joiner, Herby Wool-dridge, Russell Letz, and Gary Teichelman. Filling in and giving fine support to the team were Steve Letz, Edwin Virzalik, Eustaquio Castro, Dale Letz and Dave Letz. Claybourne Clarke is their coach.

April 4th will be election time for members of the Old Glory Board of Trustees this year. Terms of C. T. Pearce and Bill Baitz are expiring. Anyone desiring to have his name placed on the ballot should apply by March 4th at the office of County Judge Warren W. Frazier. Supt. Dalton Gill also has forms in his office, but they must be filed with the county judge thirty days prior to the election.

The Old Glory Variety Club met in the home of Mrs. Katie Gerloff on Tuesday last week. Members present were Mmes. Garrett Spitzer, Charlie Letz, Bill Wright, Lynn Flowers, Beno Hertenberger, and the hostesses.

Old Glory School children and several of the teachers enjoyed an evening in Abilene at the Taylor County Collisium on Wednesday night of last week where they witnessed an interesting display of basketball fun and trickery by The Globe Trotters.

Mr. and Mrs. Pete Elliott of Arlington were here last weekend visiting her parents, Mr. and Mrs. Herbert Klump. Mr. Klump is a patient in the Haskell Hospital. They also visited Mrs. Elliott's sisters family, the Allen Letzses.

Guests in the home of Mr. and Mrs. Lynn Flowers last Sunday night were Mr. and Mrs. J. C. King of San Angelo and Mrs. Hazel Over-ton of Stamford. Ollis Macon of Rule visited them Monday.

Mrs. J. F. Newman was dismissed from the Stonewall Memorial Hospital last Friday after being a patient there for ten days.

The J. V. Ritenour family of Abilene were dinner guests in the A. R. Sawyers home last Sunday.

AUSTIN — A sharp cut in welfare and medical assistance payments, to be effective April 1, was announced by the State Board of Public Welfare.

Board said the unprecedented increase in assistance rolls, the decrease in federal medical aid funds and the constitutional spending ceiling required an average \$11 a month cut in the Aid to Families with Dependent Children program and a 20 per cent slash in Medicaid.

Board member Louis R. Sarazan of Fort Worth said there is no alternative.

Sarazan and board member W. Kendall Baker of Houston warned that further cuts may be in the offing before the end of the fiscal period next year.

Board ordered the lowering of AFDC payments from 75 per cent to 66 per cent of budget needs. Average AFDC family now draws \$120.37 a month. Reduction would reduce this to \$109.54.

Earliest and loudest protest came from Texas nursing operators who claimed Medicaid outlay shrinkage would put 95 per cent of them out of business.

Texas Nursing Home Association termed the situation of "crisis" proportions and urged Gov. Preston Smith to take immediate action to summon lawmakers into special session for emergency appropriations.

Texas Medical Association charged the federal government has "promised more than it can deliver" in the health care area and is, in effect, asking providers of services to take a loss.

LAND PROGRAM FOLDS — Texas' 20-year-old veterans land program has folded. Through it more than 41,000 Texas veterans had purchased land under low-interest, long-term pay provisions. It was a victim of high interest rates.

Veterans land board said that since the prime interest rate has been raised to eight and a half per cent, veteran's bonds, with a constitutional four and a half per cent ceiling, simply could not continue to attract investor capital.

More than 1,000 applications on file will be processed, but no more can be accepted until the interest - rate-bind eases.

COURTS SPEAK — An insurance company can be required to foot the damage bill for accidents that occur before a policy is actually written — if the contract already had been made without either applicant or company knowing of a loss, or an impending loss — the Supreme Court has held.

dent in which a woman was injured. Trial court held there was no defect.

In a divided verdict, the High Court held that Austin contractors cannot collect another \$17,000 which all parties agreed is due them over and above the \$848,888 contract for library and science building additions at South-west Texas State University in San Marcos.

Third Court of Civil Appeals held fast on its January 21 ruling invalidating the Alcoholic Beverage Commission's proposed tough rules for private drinking clubs, including guest and restrictions.

STATE KINDERGARTEN — Texas Education Agency has begun working out the details of setting up state-supported kindergarten programs in all Texas public schools. Last Legislature authorized implementation of the program in a stair-step approach over the next seven years, with under privileged children having first chance.

TEA said the major problem is finding 1,500 kindergarten teachers for the 1970-71 school year and 7,000 teachers by 1971-78. They estimate it will cost the state \$10 million the first year to implement the program.

SHORT SNORTS — Texas Restaurant Association has dropped the name "waitress" from its vocabulary and designated 1970 as the year of the "sales hostess."

Refrigerator/Freezer

Designed for You!

Yes, the wonderful new FRIGIDAIRE refrigerator freezers now being shown at West Texas Utilities include a model and size for every home. Right now we're telling you about a Frigidaire model designed for the average home. It has two great features women will welcome with open arms! One is, it is frost-proof. You'll never have to defrost again. So you escape the drudgery of defrosting, and you lose no space to frost. The other is the automatic ice maker. Does away with ice trays! No fill. No spill. No forgetting to fill. It fills, freezes and releases cubes right into the handy server. Just dial the level of cubes you want on the level control and you will have all the cubes you want to keep handy. For a couple. For a crowd. See this wonderful Frigidaire refrigerator-freezer at West Texas Utilities.

THE SECRET IS OUT—If Robert Cary was trying to keep his age a secret, it somehow leaked out Tuesday. This sign "The Old Stinker who Lives in This house is Forty Today," proclaimed the fact for all who passed his house to see.

Mrs. J. C. Bailey, Linda and Mike visited her sister and family Mr. and Mrs. Butch Glass, and brother and family, Mr. and Mrs. R. L. Smart, in Levelland during the weekend. Linda went on to Roswell, N. Mex., to visit Sammie Ferguson a cadet at New Mexico Military Institute.

Would you believe, thunder

storm, 32 in. of rain about 1:30 a.m. Sunday morning, then about 11:15 a.m. it began to snow, melted very fast but by late afternoon the sun was shining brightly and Monday was lovely.

Our people have had their share of "flu" and what not. Mrs. Nell Self, Mr. Loyd Boren were both in Callan Hospital in Rotan, Lea Dickerson and Miss Pearl Johnson are in Hamlin Hospital, and I made a mistake last week, Mrs. Mary Brown was in Anson hospital instead of Hamlin.

Mr. Joel Smith of Glade-water spent some time visiting with his sister, Mrs. Reed and brothers Loys and Edgar Smith here in town.

Mrs. Morris Roquemore and daughter, Suzie, of Irving, visited in the Landon Perkins home this past week.

Our sympathy to Mrs. A. C. Smith in the death of her sister in Dallas the early part of last week.

Mr. and Mrs. Raymond Kiser are the proud parents of a 7 lb. baby girl born Feb. 9, 1970.

Mr. and Mrs. Roy Herron was in Lubbock on business one day last week.

Mr. and Mrs. Med Herron visited their daughter's family in Dublin this past week.

Sorry if this is short but I have been feeling kinda rough as well as a lot of other people with "flu" and colds.

Robert Pearce Signs Minnesota Viking Contract

NACOGDOCHES — Robert Pearce, who last fall quarterbacked the Stephen F. Austin State University Lumberjacks to their most spectacular football season in history, has signed a contract with the Minnesota Vikings.

Pearce earned All-American honors and was selected to play in the Blue-Gray game after guiding the Lumberjacks to a 7-3 season.

He completed 121 of 236 passes for 2104 yards and 19 touchdowns and also carried the ball 112 times for 386 yards and six touchdowns. That gave him an outstanding 2490 yards total offense which ranked him third in the nation in the National Association of Intercollegiate Athletics.

"I'm real satisfied with the contract," said the 5-11, 190-pound Hamlin native who played junior college football at Cisco Junior College before transferring to SFA. "It is a good bonus contract which also contains a couple of incentive bonus clauses."

Pearce explained that he will get a bonus if he makes the 40-man squad next fall and another one if he appears in at least two games next season. The exact amount of the contract was not announced, but it is believed to be for about \$16,000.

He was one of three members of the 1969 Lumberjack football squad to be drafted.

WHITE ELEPHANT SALE

Ladies' and Children's PANTIES

These were found down in the basement. Didn't even realize we had them. Thought you might be interested in helping us out on these reg. values to 69c now

29c pr.

THE KING IS DEAD

The king is dead — The former king of all the "No Iron" shirts — The Arrow decolene — Prepriced at \$9.00. We now have 6 of these left. We might accidentally have your size left —

\$3.97

Style TV MESH HOSE

They may be T. V. hose alright so if they are, they are colored T. V. because they are plenty colored. We have every color left in these Knee high hose that are prepriced at 79c and 98c. How about helping us out on these for

27c

Ladies' and Children's HOUSE SHOES

Just can't think of a good thing to say about these except that it sure would be good to get them out of here as we are just plain tired of looking at these. If you bought a pair of these for a gift, they would probably be refused by the receiver. Anyway if you would like to help us out on these values to \$4.00? How about

\$1.00 pr.

LADIES' PANTS

Don't believe you would want a pair of these if you looked at them so don't waste your time looking. These are odds and ends over the last 2 or 3 years. Some denims some cottons, not many of them are stretch material as most of you seem to want, but if you can see your way clear to help us out on these values to \$5.00 — for

\$2.00

PANTY HOSE

The biggest selling item we now have in stock is panty hose, but not this kind. The colors are bright and they are fish net and most people want the flat knit kind. We have lots of childrens and few ladies sizes left. They are premarked \$2.00 — Would you be interested for

29c pr.

LADIES' PURSES

These didn't look too good when they came in but what can you do but send them back to the company and we just hated to do that. These are the entire lot of our fall purses we have shown all season and no one seemed to like them so why would anyone want them now for

\$1.00

This is the most unusual sale you have ever seen or heard of. We are game to try it annually. We try to group all our odds and ends, buyers mistakes, slow movers, etc. If you are an indecisive buyer and want to exchange or return what you buy, you are welcome to attend our sale but please don't buy anything as we just don't want these goods returned.

BOYS' HOODED SWEATSHIRTS

Some of these have been here so long they are beginning to look like an employee. Guess the nylon windbreaker took its place. We are gonna quit guessing what happened to the sales of it because if you don't buy these regular \$2.99 shirts for

\$1.00

The trash man is in for a big surprise.

Men's Zip-out Lining ALL WEATHER COATS

Seems like it may take more description to sell these coats. Last year we couldn't get enough of these coats, so we thought we were gonna be smart and buy lots and not run out — Take one of these \$19.95 coats for

\$10.00

and we won't make this mistake again.

MEN'S PLAID SPORTCOATS

You just can't fool most people about the looks of sportcoats. We sometimes tell a customer "That coat sure does look nice." Boy, we must be lying to these people or they don't believe us or something. We have about 12 of these coats that we have marked \$19.95 reg. Would you believe we would take

\$9.97

BOYS' JEANS

We have gone through our stock and pulled out the worstlooking jeans you ever saw. Tried to get my son to take a pair of these the other day and he refused. If you have a son who isn't quite as particular, please help us out on these values to \$6.00 at

2 pr. \$5.00

BOYS' SWEATERS

What happened to all the boys that used to wear sweaters. Now is the time for all good boys to come to the aid of Heidenheimers. We have all these sweaters just hanging on that little ole rack just asking to be picked up with values to \$8.95 for

\$2.99

MEN'S WOOL MELTON COATS

These haven't been too good this time, but the salesman that sold them to us had a good time. He took us out to lunch evidently and got us overenthused and sold us enough of these for every one in Jones County. Now we have 13 of these reg. \$12.95 coats that we would part with for

\$6.95

CLAUSSNER HOSE

Mrs. Fomby says she sure would like to move these out of her way to make room for panty hose, so we had a big conference and decided to do away with these reg. \$1.35 hose for pair. Or 2 pr. \$1.00

LADIES' COATS

Want to see a young kid get ahead? Joe says he will forever be indebted to you if you would help us out on these coats so he won't have to haul them down to the basement this summer. As usual we would list what we have left, but don't have the time so just take your choice of any coat in stock at

1/2 PRICE

BOYS' SHIRTS

Here again we have gone through our shirt stock and culled them down to this mess of shirts. Some of these have been unpinned so many times they are thread bare from the pins. If you can get off without your son and would want to buy one of these shirts we would appreciate it.

\$1.00 ea.

LADIES' SWEATERS

Most of these are orlons and washable and a terrific value, especially if you own your own laundry. Mrs. Jenkins says she needs the room for some pretty Wrangler pants we just got in. Maybe you could help us out on these values to \$7.99 for

\$3.99

Other sweaters reduced drastically.

\$1.00 TABLE

Items too numerous to mention, but we will try anyway. Here we go — Childrens dresses, Ladies knit tops and blouses, Childrens pants and tops, Oh this is enough but come in and see anyway as we may even add more than we are listing.

MEN'S LONG SLEEVE SHIRTS

If you want the honest truth about this conglomeration of shirts, you had better ask someone else as we want to get them out of here to bad to tell the truth. These are flannels, button down collars and regular collar shirts that sold as high as \$4.99. You can bet your sweet bippies we have culled them out pretty good though to sell them for

\$1.98

MEN'S JEANS

1964 jeans — this is not the number of jeans we have in stock, but it was a good buying year for some of these jeans as we have accumulation of these over the years. Now we have pulled out quite a few of these mostly in 29 thru 33 waist sizes and marked them down to

\$3.99 & \$4.99

THROW RUGS

You may have been around the world 3 times but you haven't seen rugs like these. Some of the colors are loud, some are dull. The description we would give would probably look different to you as we are tired of looking at these. Values to \$9.99 now

\$1.00

CHILDREN'S SKI PAJAMAS

Our buyer thought they were going to quit making these I guess. For all the good we did with them wish they had quit making them long time ago. They say right on the label 100% cotton, but must warn you they run a little small as bought son Davy a size 8 and he is only 4. We had them marked \$1.69, but marking is all the good it did. How about

88c

MEN'S T.V. SOX

Just 6 pair of these reg. slipper sox left 2 mediums and 4 larges. Reg. \$1.99 —

88c pr.

LADIES' DRESSES

Some of these dresses looked real cute on the models when we were buying them. The only problem they wouldn't let us bring the model home. Now if you could come in and model one of these we could nearly promise you wouldn't have an audience. If you are willing to try one for

1/2 PRICE

Many thanks.

LADIES' SHOES

Just a few of these recently turned up in the Noahs Ark expedition. Really, maybe they aren't quite this old. Anyway we probably don't have your size so why bother to look at these heels, flats etc. for

\$1.99 pr.

LADIES' ROBES

Nothing to brag about here either. We must have been out of our mind when we went to market to buy robes as someone asked "Are we splitting these with all the other Heidenheimer stores?" We still have all prices left. Colors aren't the best but maybe you could use one at

1/2 PRICE

LADIES' CATALINA

The same story on this grouping. We never have the top to match the bottom or the size is wrong or something of that nature. Just maybe you could find something you could use at

1/2 PRICE

MEN'S DRESS HATS

Just walked by the counter where these 11 hats are laying. Thought this would make a good spot to put something else on. These regular \$7.95 hats might just suit you for

\$4.88

MEN'S ROBES

Just to be honest with you, these robes came to us by mule train evidently. We had them ordered for so long we nearly forgot them. One day we got the invoice for them and 40 days later the freight people brought the goods. Don't know how freight could be so slow but maybe you could use one for

1/2 PRICE

PENDLETON SHIRTS

We missed carrying Pendletons for 2 or 3 years and should have left well enough alone. They are beautiful but at \$17.50 each, the sales were not up to par. Come on in you guys that liked the shirts, but not the price as we only have 7 left: 3 smalls, 2 Mediums and 2 larges

Abilene Man Hits 'White Justice'

AUSTIN (AP) — A subcommittee of Gov. Preston Smith's at future meetings. Human Relations Commission also recommended was a asserted Friday that Texas state civil rights act that would criminal justice system is a relic of slavery days and often dispenses "white justice."

The report was made by John Allen Chalk, pastor of Highland Church of Christ in Abilene and subcommittee chairman.

Another subcommittee, on state employment, proposed that Smith hire a Mexican-American special assistant and that members of minorities be placed on policy-making state boards and commissions.

Chalk said there is a "crying need" for better trained and "more sensitive" policemen and recommended more psychological testing and heavier emphasis on human relations in police training programs.

A "Public defender" system stressing the use of minority lawyers, even if a scholarship program is needed to train the lawyers, was proposed.

"The minority citizen, the poor and the disadvantaged must be provided competent, independent legal help at the time of arrest," Chalk said.

"The criminal justice system in the State of Texas is hopelessly outdated and was created during the days of slavery and wars against Mexico. What we are getting, in one sense, there is 'white justice,'" he said.

No action was taken on any of the recommendations by the full committee, Chalk said.

Austin McCloud Seeks Place

On Court of Civil Appeals, Eastland

District Judge Austin McCloud of 32nd Judicial District (Nolan, Mitchell and Fisher Counties) announces his candidacy for the Court of Civil Appeals, 11th District, at Eastland.

The 11th Appeals District includes 23 Central and West Central Texas counties — Baylor, Borden, Brown, Callahan, Coleman, Comanche, Dawson, Eastland, Earth, Fisher, Haskell, Howard, Jones, Knox, Mitchell, Nolan, Palo Pinto, Scurry, Shackelford, Stephens, Stonewall, Taylor and Throckmorton.

McCloud declared his candidacy following the announcement by Chief Justice Clyde Grissom that he would not seek re-election.

"Our Eastland Court of Civil Appeals is recognized as one of the outstanding appellate courts of Texas," said McCloud, "and my candidacy is dedicated to the continuance of this outstanding service to the citizens and communities of our area under the laws of our state."

McCloud has a background of private practice of law in Houston and Colorado City, and six years as a district judge. He was appointed 32nd District Judge in 1963 and has been re-elected twice without opposition.

The judge is a graduate of National College of State Trial Judges, University of Nevada, and has recently had legal articles published in Trial Judges Journal and Trial Lawyers Forum.

McCloud is chairman of the Law Enforcement Coordinating Board of West Central Texas Council of Governments, an innovation in joint-community enterprise for upgrading and improving law enforcement at the local level in this West Central Texas area. He is also president of the 16-county West Texas Girl Scout Council, and is currently a member of the

Executive Committee, Judicial Section, State Bar of Texas.

McCloud, a 40-year-old native West Texan, is a graduate of Texas Tech, and received his law degree, cum laude, from Baylor University. Judge and Mrs. McCloud, a public school teacher, and their two daughters, reside in Colorado City.

Names of seven finalists in the oratorical contest sponsored by Stamford Electric Cooperative, Inc. were announced this week by Darryl Shoemaker, Member Services Director.

Final judging will be held Monday, Mar. 2, at the Stamford High School Auditorium. Winners whose oratory on
